

ACCESS AND MOVEMENT

- 1 Retain the gated access off Main Road for game days.
- 2 New car parking (nom 40 spaces) and create a turnaround loop.
- 3 Remove western car parking (45 spaces) when new sports field is constructed.
- 4 Minor road realignment to provide new sealed car parking (nom 52 spaces); new raised pedestrian crossings to help mitigate speeding.
- 5 Gated vehicle access only.
- 6 Retain the existing oval perimeter road and retain informal nose-to-fence parking, with consideration given to future sealing.
- 7 Ensure safe pedestrian movement across car park entries.
- 8 New sealed carpark (nom 56 spaces) with connection to overflow parking area
- 9 Retain as a pedestrian and vehicle entry with an unsealed car park.
- 10 Upgrade the main reserve entrance to enhance safety and efficiencies.
- 11 New reserve perimeter path, combination of sealed and unsealed sections.
- 12 Sealed oval perimeter path.
- 13 New concrete culvert pedestrian crossing

SPORTING FACILITIES

- 14 Establish a Joint Use Agreement between the Riddells Creek Primary School and Council to formalise the sports clubs' use of the oval.
- 15 New tennis clubroom.
- 16 New shelter to service tennis and oval users.
- 17 Resurface as a tennis-only court.
- 18 Future tennis expansion with floodlighting.
- 19 New multipurpose sports field with cricket pitch, perimeter fence and sports lighting.
- 20 Potential future pavilion (change rooms and store only), with a new shelter installed in the short-term.
- 21 Remove Obedience Dog Club clubroom.
- 22 New cricket store.
- 23 Future extension of the oval pavilion.
- 24 Upgrade the Leisure Centre - replace the court sub-floor, new equipment store, and review the vent system.
- 25 Potential future Leisure Centre second court expansion, subject to future planning and demonstrated demand.
- 26 Extension to provide new compliant netball change rooms and canteen.
- 27 Relocate three bay storage shed. Final location subject to confirmation of underground services location.
- 28 New netball courts with shelter (with secure storage), sports lighting and low height perimeter fence (extend height at car park end).
- 29 New vehicle-free match day spectator area.
- 30 Main oval reconstructed and realigned; new cricket pitch.

COMMUNITY FACILITIES

- 31 New community gathering space (playspace, BBQs, picnic tables and shelter, with consideration of parking and public toilet at design stage.
- 32 New skate park; remove current skate facility.
- 33 Relocate Scout Hall building, and include a new trailer and equipment shed.
- 34 Scouts' outdoor activity area.
- 35 New fenced compound that doubles as the activity area for Macedon Ranges Dog Obedience Club and a community accessible dog off-leash area; with irrigation and drainage.
- 36 Dog obedience and off-leash area, shelter, storage and amenities, scaled to operational needs.
